

Elizabeth Higgins (Izzy) 11/22/26

Donald duck counting wad of cash.

Income tax → save for "victory"

Makes spending money seem like Hitler.

If you pay your taxes you help win war. ←

Paying taxes = freedom from fear.

"PAY YOUR TAXES TO DEFEAT THE AXIS"

Donald Duck Cartoon:

Audience - American workers

Author - Disney

Message - Pay your taxes to defeat the axis

Purpose - to show American tax payers where your taxes are going

Context - 10 years "post" Great Depression, 1943, Hitler - and Nazi Germany are taking over.

Cartoonist constantly brings up useful land, minerals that Africa has. Also makes blacks seem like aggressive by using scare tactics.

Threatening to take the trading routes, oils, resources. Strategically an important piece of land.

SOUTH AFRICA Cartoon

Audience: U.S and Canadian white Christians

Author: Vic Lockman (Disney cartoonist)

Message: Africa needs to cut ties with Communists/USSR, South Africa is better off colonized and as an apartheid state, divesting from South Africa is dangerous.

Purpose: to persuade citizens to avoid communism, invest in South Africa, and to support apartheid.

Context: Trickle down economics, war on drugs, AIDS,
